NOTE: Odio is a Cuban refugee and probably a mental case. She has been under the care of several psychiatrists in recent months. She has alleged that Oswald called on her at her apartment 9-26 or 27-63 in the company of two other individuals. We know this is not so as Oswald was not in Dallas on those dates. Commission has asked that we conduct further inquiry to substantiate or disprove Odio's story. Miami on 10-1 showed to Odio photographs of three individuals who may have visited at her apartment in September. This resulted negatively. Miami was advised by a friend of Odio that she is presently under the care of a psychiatrist [redacted] Advisable therefore for us to stay away from her and members of her family to avoid charges of harrassing a mentally ill person. 105-82555-5046
